### **Job Purpose and Role:**

Under the leadership of the Assistant Manager, ensure that the care objectives, as defined by the Registered Manager, are delivered by you and the RSW's that report into you and your SRSW peer group.

You will be responsible for:

- Ensuring that the care objectives are effectively deployed by the team on shift.
- Ensuring that the paperwork for the children is completed.
- Ensuring that the home is operated to outstanding quality levels.
- Ensuring that the team adhere to the risk assessment and are aware of any risk mitigation and actions and boundaries around the care planning of the child in placement.
- Formal Supervision and mentoring of the RSW's.
- Submission of financial spends at the end of each shift.
- Shift handovers and debriefs of more junior team members.

To effectively and efficiently deliver the main responsibilities and key result areas encompassed within a Senior Residential Support Worker role. To meet the below requirements within a children's home providing day to day care, direction and support to children who may display challenging and disruptive behaviours, emotional and social difficulties.

You will actively encourage each child to engage with the ethos of A Wilderness Way but putting in mechanisms and plans that support the use of the outdoors. Although we wish to ensure that our children feel at home with us, as an organisation we do not support prolonged periods of time in the house and with your skills and experience you will already be able to demonstrate how to engage children in other activities that inspire and motivate them.

### **Main Duties and Responsibilities:**

- Assist the management of the home in developing the skills and potential of residential support workers through effective supervision and support.
- Take responsibility for the effective and efficient running of shifts.
- Work within and ensure effective delivery of the policies and procedures in the home, and the organisation.

- Monitor and maintain administrative requirements, ensuring that the outcomes of our children meet the standards set out in children's legislation, and the homes working practices.
- Ensure ongoing assessment of children and young people's needs in day-to-day practice.
- Oversee, supervise and develop the skills of employees in their daily working practice.
- Promote and actively encourage the delivery of a safe, structured and nurturing environment.
- Work as part of a multi disciplinary team both within the home and with external agencies.
- Relate to and engage young people who display challenging behaviour.
- Assist young people to identify unsafe, dangerous, harmful and abusive situations, individuals and groups.
- At all times ensure the health, safety and wellbeing of the children and young people.
- Ensure employees are aware of and deliver the support required to ensure the life chance opportunities of children and young people are met in relation to their social, educational, leisure, emotional, physical and cultural needs.
- Ensure the delivery of all key worker areas and responsibilities.
- Ensure a variety of intervention strategies are utilised in relation to behaviour management.
- Where required deputise in the absence of the management of the home.
- Where required attend reviews and or meetings.
- Ensure an open culture is created so that children and young people feel they can complain and that they are listened to.
- Ensure that all administrative requirements of the home are maintained in such a way that they are compliant with good childcare practices, homes procedures, company policies.
- Ensure an open culture is created so that children and young people feel they can complain and that they are listened to.
- Ensure that all administrative requirements of the home are maintained in such a way that they are compliant with good childcare practices, homes procedures, company policies and children's regulations.
- At all times promote and ensure anti discriminatory practice.
- Oversee, write and edit all reports when submitted for meetings and reviews.
- Undertake all relevant training as and when required.
- You must co-operate with the Company in complying with the Health and Safety requirements and are therefore expected to follow Company policies, to acquaint yourself with the Fire, Health and Safety Procedures at your place of work and report any unsafe practices and conditions.
- It is the responsibility of the post holder to comply with Health and Safety and Equal Opportunities requirements at all times.

## Person Specification

You will work closely with the Registered Manager to ensure the delivery of high-quality therapeutic care to young people as part of our integrated service offering. In order to achieve this, you will hold knowledge of PACE model of therapeutic parenting and/or trauma-based models, having used these models in practice.

Alongside this you will also have knowledge of relevant legislations and be confident in your knowledge so that you are able to guide and develop the wider team. You will work alongside a varied staff team and will form part of the on-site rota. You will role model our values and expected behaviours at all times and work to ensure these behaviours are replicated throughout your team and with your shift partner by providing mentoring, coaching monitoring and supervision to your shift partner.

In conjunction with the Assistant Manager, you will assist in developing staff knowledge and

understanding in order to safeguard practice and processes. The organisation values the development and progression of our employees and you will actively encourage the progression of your team and the

achievement of appropriate qualifications.

You will have a good level of written and verbal English to ensure the appropriate completion of reports being mindful at all times your stakeholder audience including the children and their social workers and any external bodies/agencies. You will have a level of financial and data reporting awareness that will transfer into offering assistance to the Quality and Compliance Manager and Assistant Manager with the aim to achieving organisational KPI's and objectives.

In the lower band of the SRSW grade, although not essential that you hold a level 3 Diploma in Health and Social Care (Young People) you must have demonstrated a level of academic achievement in your specialist area if equivalent experience and qualifications are to be considered. If your qualifications are not equivalent, you will need to commit to achieving your level 3 within short timescales. At the highest level of the SRSW grade, you will have to hold your Level 3 or Level 4 in Children and Young People's Workforce.

### **Collaboration**

We collaborate in a spirit of openness and humility, recognising the multiple perspectives, unique contributions and commitment of all team members to the best possible care for our young people.

### **Adaptation**

We adopt a learning culture which promotes honesty above results, seeing our practice as a continuous process of reflection, adaptation and growth.

### **Respect**

We respect and value everyone as an individual with their own strengths, needs and experiences and a shared humanity.

### **Empathy**

We respond with empathy and compassion and we treat each other as partners with a shared goal.
